MISSON STATEMENT

RELIGION INDEX ONE: PERIODICALS (RIO®)
AND
RELIGION INDEX TWO: MULTI-AUTHOR WORKS (RIT®)

It shall be the purpose of **RIO®** and **RIT®** to index those articles in the field of religion--particularly religion and religious scholarship in the West--which are germane to research in and serve to document that field. The intended audience includes scholars, teachers, and students who are engaged in the study of religion and related fields; clergy; other religious leaders; and the general reader in religion.

ATLA Index Board
June 1986

PREFACE

In this thirtieth volume of the *Religion Index One* we have indexed 10,794 articles from 1,500 journal issues under 30,483 subject entries. Twenty-two journals appear in volume thirty for the first time and one journal has changed its title. These are listed on page xxv.

Lowell K. Handy, Don Haymes, Nina Schmit, Juli Wilson-Black, and Ric Hudgens contributed to the indexing in this volume. In addition, Chantal Jean-Baptiste assisted in the indispensable task of journal control. Members of the Information Services Department provided valuable technical assistance.

We are grateful to all of the ATLA staff for their continuing support, assistance and collegiality. And, as always, we are especially grateful to the Board of Directors and to the members of the American Theological Library Association for the guidance and encouragement that makes this project possible.
